DEVOLUTION

Devolution has been at the top of the government's agenda and in the forefront of councils' thinking since the general election. Not surprisingly, it has been at the top of our agenda too.

We have worked with councils contemplating a Combined Authority or Devolution Deal and with those who already have a Deal in place:

- ▶ Defining the key themes and functions of a Combined Authority
- ▶ Detailed work on building capacity to deliver the Deal
- ▶ Specialist technical support in key functional areas e.g. housing and planning, economic development, regeneration and infrastructure
- ▶ A series of Assurance reviews to ensure the Deal will succeed
- ▶ Work on different Unitary options as part of a possible Devolution Deal
- ▶ Service efficiency programmes on a City Region basis

Why have they used Local Partnerships and why should you consider us?

- ▶ With our co-owner the LGA, we understand the local political dimension
- ▶ With our co-owner HM Treasury, we have access to the latest government thinking
- ▶ Specialist expertise in the areas that matter – housing and planning, economic development, regeneration, transportation, infrastructure and public sector reform
- ▶ Ability to provide additional capacity to help Combined Authorities deliver their side of the bargain

So, wherever you are on the journey – whether just starting out or working through the details of how operational delivery will need to change – we can help.
