

LOCAL PARTNERSHIPS

The public sector delivery specialists

How can we help you succeed?

Through our social investment and reform work we have helped:

- ▶ Local authorities consider their options for alternative delivery models and move them closer to finalising their business cases
- ▶ 6 social enterprises measure and evaluate their social impact
- ▶ A large local authority improve the performance reporting on a complex, multi-agency reform programme
- ▶ 5 social enterprises become more contract and investment ready to deliver effective and innovative public services
- ▶ A district and a unitary council on their transformation commissioning journeys
