II.1.4) **Short description:**

Greater London Authority (GLA) and Local Partnerships are procuring a framework agreement to succeed the current 'RE:FIT' framework. The framework will allow public bodies and registered social landlords to contract with providers to make carbon savings and/or costs savings through implementing energy efficiency and/or energy generation measures to their buildings or estates. Service providers will identify and implement energy efficiency and/or generation measures enabling organisations to cut running costs, reduce energy consumption and lower carbon emissions. As part of the terms of the framework agreement, the service provider will guarantee a set level of savings and/or performance over a period of the arrangement. Further information is provided in relation to the framework at VI.3).
